GREETINGS PARTNER IN PATRIOTISM,

On behalf of Project Help, allow me to thank you for your time and concern for our Veterans.

I have a few shocking statistics for you to ponder. Did you know that there are approximately 6,000 homeless veterans in New Jersey and 22 veterans commit suicide every day?

We invite you to become a member and through our membership program, Project Help is better able to assist our Veterans. With the added reach of our members, we can do more good and help more veterans in times of need and whittle away at those statistics.

As a member of Heroes for Heroes, you become a Special Ambassador for Project Help in helping to spread the word of who we are and what we do. We really need your help with this.

AS A MEMBER YOU GET THE FOLLOWING BENEFITS:

"Members Only" newsletter and advance notice of events, plus volunteer opportunities. You are invited to the annual board meeting "Meet & Greet", you can make suggestions about fundraising events and other public displays of Project Help. It permits you to take charge of a particular function(s) at events on behalf of the organization and provides you a "Members Only" discount at some events.
