Our Vision

Our long term vision at Project Help is provide a place for veterans to heal the wounds of war and to recover physically, mentally and emotionally.

- A place that is safe, with no judgement where they can cohabitate in a retreat setting with fellow veterans.
- A place where they can convene in nature, learn new skills and brush up on old ones.
- A place where they will live for a year and get back on their feet as productive members of society.

The Mission

The mission of Project Help is to provide vital assistance to Military and Veteran families during times of need.

We also provide mentoring and mock interviews to increase the likelihood of acquiring a good job and career path for those who complete the program. It increases the likelihood that their income will increase as well as their lifestyle and quality of life.
